Report of Principal and School Improvement Council

The mission of Baron DeKalb Elementary School (BDK) is to provide our diverse learning community with a safe place for students to become responsible citizens by partnering with families and providing a rigorous and challenging character and academic foundation. This mission of excellence, along with our shared vision-"A small school with a big heart where everyone excels," continues to be the focal point in our efforts to increase student achievement. Students are challenged to excel in academics, behavior, and character. The faculty is also committed to the mission and vision of excellence, as demonstrated by our participation in opportunities for professional growth and development. Through professional book studies, conferences/workshops, peer observations, and extra coursework, the faculty and staff continually endeavor to find ways to enhance learning and instruction.

The 2011-2012 school year was a phenomenal one for the BDK Eagles, as we continued to soar to success! After being named a 2012 Honor Roll School Improvement Council (SIC), BDK's SIC was selected as the 2012 winner of the Dick and Tunkly Riley Award for SIC excellence. Dick Riley, former S.C. Governor and U.S. Secretary of Education, presented the award to the SIC. In addition to this statewide recognition, Baron DeKalb Elementary earned the Exemplary Writing Program (EWP) Award, sponsored by the South Carolina Department of Education. Consequently, Baron DeKalb Elementary will be a model site for schools interested in growing an exemplary writing program. Furthermore, BDK was recommended to receive funds from the South Carolina Department of Education to operate a 21st Century Learning Center during 2012-2013. This will be a tremendous asset to our school and community, as we strive to fulfill our mission and achieve the vision.

BDK met Adequate Yearly Progress (AYP) for the eighth consecutive year, based on student assessment, attendance rate, and percent of students tested. Due to great support from staff, families, and community, BDK was again a winner in the Wal-Mart "Stuff a Bus" Promotion. The school earned \$800.00 to promote positive student behavior and to enhance instruction. BDK also received a \$500.00 grant from Exxon to support math and/or science.

Teaching students the value of being good citizens goes beyond participation in student organizations, our school raised more than \$2500 for Relay for Life, donated money to the American Red Cross, and collected food items for a local ministry.

The school's accomplishments are a testament to the awesome work of our PTO and SIC, and the collaboration of BDK's stakeholders. Together everyone achieves more.

Betty D. Turner, Principal

Candace Anderson, SIC Chair

ESEA/Federal Accountability Rating System

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/eSEA/> or request this information from your child's district or school.
